

Scholarships

Investing in your future.

Northwest FCS promotes youth education through our college scholarship program. Scholarships are awarded annually to high school seniors, current college students and those pursuing graduate degrees. All scholarships are \$2,500 each.

Customer Undergraduate Scholarships

Awarded to sons and daughters of Northwest FCS customers and employees. High school seniors and current college students will be selected based on school and community involvement, scholastic performance and educational goals.

Customer Graduate Scholarships

Awarded to sons and daughters of Northwest FCS customers and employees. Graduate students will be selected based on their scholastic performance and post graduate career goals.

Land Grant University Scholarships

Awarded to full-time undergraduate students seeking a degree in agriculture, finance, business or related fields at Northwest land grant universities. Students must demonstrate a commitment to agriculture, leadership and academic achievement.

Diversity Scholarships

Awarded to high school seniors and current college students from underrepresented groups pursuing professions or technical careers that positively influence Northwest agriculture. Students will be selected based on school and community involvement, scholastic performance and educational goals.
